

# ~Clutter-Free Bedroom Checklist~

## ☐ Bedside Tables

- Remove magazines, cups, electronics, and other random objects
- Put things you want to keep elsewhere, such as in the bedside table drawer
- Only allow a few objects on the table top, such as the book you are reading, a vase of flowers, and a favorite photo
- Toss any trash
- Donate anything you no longer use

## ☐ Shoe Pile

- Sort through shoe pile, making 3 stacks: trash, donate, keep
- Toss shoes that are completely worn out
- Donate shoes that you haven't worn in a year or that you will never wear
- Place shoes you are keeping in shoe boxes under your bed, an over-the-door shoe rack, or on a shelf in your closet

## ☐ Closet

- Purge: empty everything out
- Make 3 piles: trash, donate, keep
- Put everything you haven't worn in a year in the donate pile
- Toss anything that is damaged and cannot be donated
- Replace everything with an ordered system (by color, by season, jeans with jeans, sweaters with sweaters, and so on)

## ☐ Dresser Drawers

- Clear all the clutter off the top of your dresser
- Throw away any trash
- Take anything that doesn't belong in your room out of the room
- If you have items that you don't use, donate them
- Purge: empty everything out of the drawers
- Make 3 piles: trash, donate, keep
- Toss anything that is damaged and cannot be donated (T-shirts can be recycled into rags for cleaning and socks can be recycled for dusting!)
- Put everything back in your drawers in an order (For example, I roll my leggings and t-shirts up and place them side by side instead of stacking them. It makes it so much easier to get to them every day without making a mess of things!)
- Decorate the top of your dresser with only a few items (vase with flowers, picture frame, candle, etc.)

*If you don't wear it, love it, or look good in it, get rid of it!*

□ **Bed**

- Make your bed every day!
- Toss dirty laundry in the hamper, not on your bed

**Organization Hacks:**

- Put shower hooks on clothes hangers to hang your purses and bags
- Invest in matching hangers
- Hang a pegboard on the back of your closet door for jewelry
- Use baskets on the top shelf of your closet to hide items
- Use shower hooks on a hanger to hang your tank tops
- Have a laundry basket and use it!
